ALDEN OCEAN SHELL

SWIM-PACK

August 1, 1973

Mr. Walt Seidler  
16 Kent Court  
Lake Hinsdale Village  
Clarendon Hills, ILLINOIS 60514

Dear Mr. Seidler:

Thank you for your recent letter requesting information on our ocean shells as advertised in the New York Times.

We are enclosing our illustrated brochure describing our single and double models which gives complete prices and specifications.

We have never had anyone 6' 9" tall row one of our boats, but I believe you would fit because our seat track is the longest ever made. You should try one out to be sure!

Your nearest dealer is:

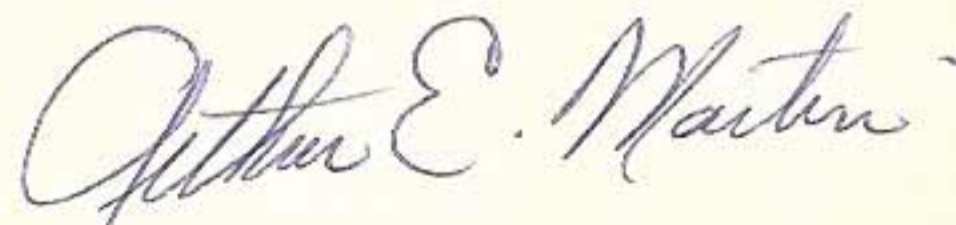

Mr. Ralph Frese  
CHICAGOLAND CANOE BASE  
4019 Narragansett Avenue  
Chicago, ILL. 60634  
Tel: 312-777-1489

8' 6"

They might still have one at the old price.

Sincerely yours,

MARTIN MARINE COMPANY
